Boersma came to Bethel and was a three-year starter at right guard. He earned All-MIAC honors two seasons, including this past year when he missed the last two games with a broken arm. Boersma served as the leader of an offensive front which paved the way for three of the top 10 rushers in the MIAC and the league's top rushing offense in the 2011 campaign.

Why I chose Bethel:
I decided to come to Bethel because I wanted to attend a Christian school and have the opportunity to play football at a high level while competing in one of the best football conferences in the nation.

What's special about Bethel:
Bethel definitely sets itself apart from other schools. That is one of the main reasons I chose to attend. Not only did I get the chance to grow as a football player, but more importantly Bethel gave me the opportunity to grow as a Christian. Not many institutions give you that chance or put the emphasis on it as Bethel does. Having the chance to play on a team with a bunch of "God Guys" is a once in a lifetime opportunity that I will cherish forever. The relationships that I have built with my coaches, teammates, fellow students and faculty at Bethel will always have a special place in my heart. I don't believe there is any school that can match the sense of community that Bethel has. That is what sets it apart! You have the opportunity to get an amazing education along with the tools to become a better person for the future.

Major: Business
Minor: Finance

Future Plans:
I hope to find a job working in agricultural finance in the Twin Cities area and continue to be a part of the Bethel football family.
